

Industrial Products Division

Product Overview

PROVEN QUALITY. LEADING TECHNOLOGY.

2013 Sales by Region

Industrial Products Division

Markets served:

- Automotive
- Tier 1 Auto Feeders
- Truck and Bus
- Farming
- Construction
- Aerospace
- Military
- Wood Industry
- Recreational Vehicles
- Trailers
- General Metal

Circulation Pumps

High flow, low pressure circulation applications

- High-Flo
 - Pneumatic drive
 - Most popular, low cost option
- Viscount
 - Hydraulic drive
- E-Flo
 - Electric drive
 - Most energy efficient option

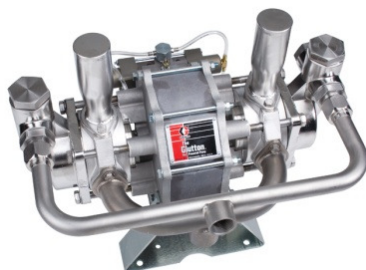

Supply Pumps

Low flow, high pressure applications

- Dura-Flo
- President
- Triton
- Merkur Bellows
- Glutton

Spray Packages

Air Spray

- Triton
 - Triton pump and AirPro gun
 - Electrostatic gun versions
- Finex
 - Husky pump and Finex gun
 - Economical price point

- Pro Xs Electrostatic Gun
 - Air Spray and Air assisted
 - Manual and Automatic
 - 40, 60 and 85 kV models
 - Standard and Smart guns available

Proportioners – 2K

- ProMix 2KE
 - Entry level systems for manual gun applications
- ProMix 2KS
 - Manual or automatic for 2K and 3K
 - Up to 30 colors managed in one system
- PD2K
 - 100% positive displacement pump
 - Mix-at-the-belt technology

Metering – 1K

- Informer
 - Accurate reporting of fluid usage
- ProControl 1KE
 - Pressure and flow management
 - Control liquid and air

Finishing Accessories

Air Controls

Fluid Regulators

Pressure Pots

Surge Suppressors

Agitators

Hose, Valves, Fittings

Filters

Gema

- Great addition to Graco Finishing Capabilities
 - Technology leader
 - High quality focus
 - Large installed base
 - Attractive end markets
 - Great emerging market exposure
 - Culture
