DEALER'S STAMP

ADVANCED TECHNOLOGY, EFFICIENT OPERATION

Faster Processing, Faster Printing – Ultra Fast Rendering (UFR II LT™)

UFR II LT™ technology ensures even distribution of data processing loads between the printer and the PC. This facilitates a consistent output rate – unaffected by changes in data size or print environment – and dramatically increased processing speeds. What's more, there is no need for costly memory upgrades.

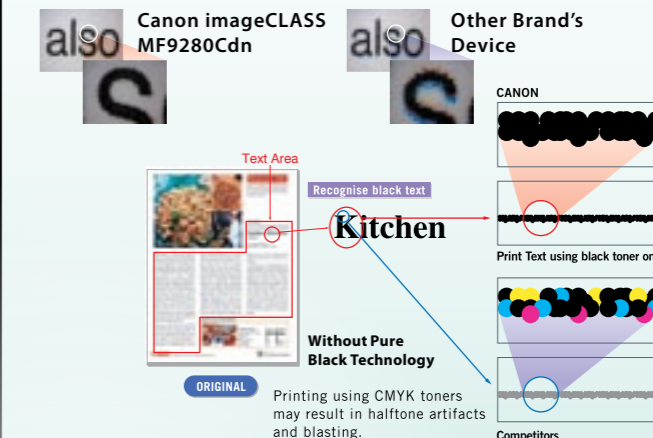

UFR II LT™ Printing System

Operational Simplicity – 3.5-inch LCD Display Panel & Scroll Wheel

The imageCLASS MF9280Cdn sports a 3.5-inch TFT LCD color screen that tilts to the ideal viewing angle. Featuring a practical layout with user-friendly icons and straightforward menus, it ensures that functions are clear and easy to carry out. The handy Scroll Wheel further simplifies operation by making navigation among the various functions effortless.

Tilted LCD

Professional-Quality Text & Graphics – Pure Black Technology

The imageCLASS MF9280Cdn produces deep, solid blacks by using only black toner when printing black text or graphics – even on documents where color is present. Other printers “create” black by combining black and color toners, but this can compromise quality and result in halftone artifacts and blasting. Additionally, Pure Black Technology reduces color toner usage, which lowers operating costs.

PCL 5c/6 & PostScript 3 Emulation – Faster, More Efficient Printing

The imageCLASS MF9280Cdn features both PCL 5c/6 and PostScript 3 Emulation capabilities to allow greater flexibility for easier intergration onto various enterprise networks.

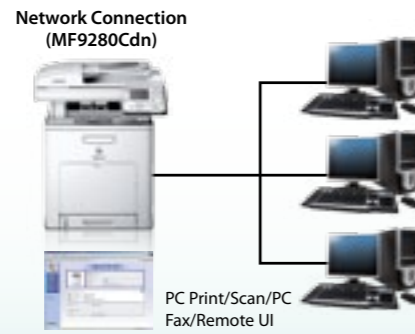

All-in-One Toner Cartridges – High Quality, Low Maintenance

Replacing toner can be a messy, time-consuming job that compromises the productivity of a printer. Canon All-in-One toner cartridges greatly simplify maintenance by incorporating everything needed to print – drum, charging unit, cleaner, developer and toner reservoir – in a single, easy-to-install unit. Simply take out the depleted cartridge and slip in the new one.

Share The Efficiency – Built-In Network Printing

The imageCLASS MF9280Cdn is fully networkable, which means several users can benefit from network printing, scanning and PC faxing. It features **10Base-T / 100Base-TX connectivity**, so setting the printer up on an Ethernet network is fast and easy.

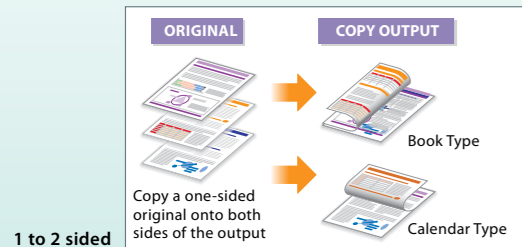

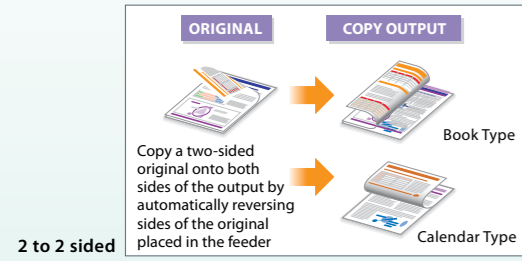

Quick Connectivity, High-Efficiency Data Transfer – USB 2.0 Hi-Speed

The **USB 2.0 Hi-Speed** port provides quick, convenient connection to any computer.

VERSATILE, HIGH-QUALITY PRINTING, COPYING, SCANNING & FAXING

Speed & Quality – Superb Color/Monochrome Printing & Copying

Speed and quality make the ideal combination. The imageCLASS MF9280Cdn can print or copy up to **21 pages per minute** at resolutions up to **9600 x 600 dpi** with Automatic Image Refinement. Further augmenting speed is a **First Copy Out Time (FCOT)** of just **12.5 seconds**.

Auto Duplex Print/Copy/Scan & 50-Sheet Duplex Auto Document Feeder (DADF)

Printing or copying on both sides of the paper saves time, money and resources. Print **two-sided** copies from **one-sided** originals without turning the paper manually. Duplex copies can be output in calendar or booklet form, which can reduce paper use by up to **75%**! What's more, the **DADF** makes scanning and copying two-sided documents a breeze.

Just The Right Size – Flexible Zooming: 50% - 200%

You can reduce copies to half the size of the original, or enlarge them to twice their original size. With this much flexibility, it's easy to ensure ideal readability, save space by putting multiple documents on a single page, or zoom in on the important details of an image.

Print Without A PC – Direct Print

The imageCLASS MF9280Cdn gives you the option of printing directly from USB flash drives and a variety of memory cards (JPEG, TIFF only). Use the handy LCD color viewer to select your images and print without a computer.

The Easy Way To Copy Both Sides Of A Card Onto A Single Page – ID Card Copying

This useful feature allows you to copy both sides of a business or **ID card** – or even a small document – onto a single page without turning the first printed sheet over. Both sides of the card are automatically copied onto one side of the page for easy reference and filing.

Collate / 2 on 1 (ID Card Copy)

Big Job? No Problem! 850-Sheet Paper Capacity*

The imageCLASS MF9280Cdn comes with a **250-sheet paper cassette** and a **100-sheet Multipurpose Tray** that's ideal for envelopes and other paper up to A4 size. If you do large-volume printing, simply expand paper capacity to **850 sheets** with the addition of a **500-sheet** paper cassette pedestal.

*With optional 500-sheet cassette.

BEST FOR YOUR BUSINESS, BEST FOR THE PLANET

Saving Energy, Saving Resources – Environment Friendly

The imageCLASS MF9280Cdn maintains Canon's long tradition of creating machines that are environmentally friendly. It is both **RoHS** and **Energy Star** compliant, and consumes as little as one-third the energy required by other printer brands. In addition, **resource-saving** features such as **Auto Duplex Print/Copy** help the environment and your bottom line.

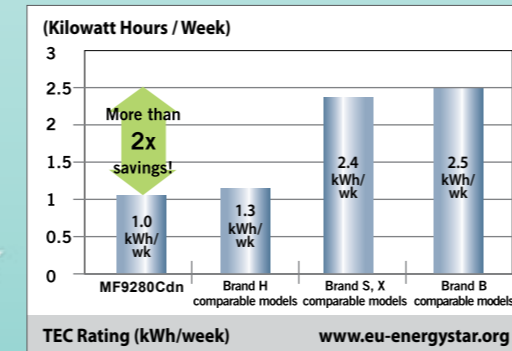

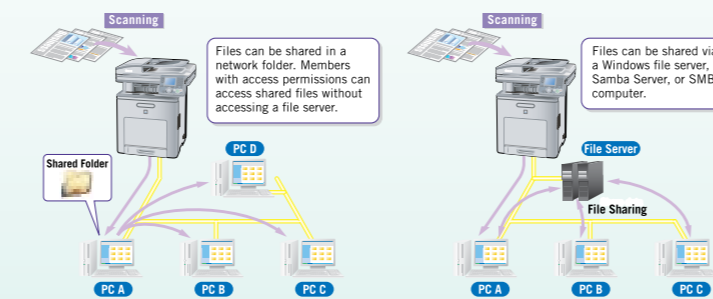

A Fine Way To Fax – Super G3 High-Speed Faxing With UHQ™ Technology

The **Super G3** standard means faster faxing – send an A4-size document in just **three seconds** – and lower operating costs. What's more, **Ultra High Quality (UHQ™)** technology provides superb half-tone reproduction with **256 grayscale** levels, so you can transmit complex documents such as diagrams and photos combined with text. It features a **1,000-page** fax reception memory for peace of mind, and a speed dial that handles up to **200 locations** for quick access to frequently dialed numbers.

Canon Sends Your Worries Away

Canon's proprietor SEND technologies let you scan and directly push-send your scanned images to your selected PCs or network destinations (e-mail, SMTP / POP3 / SMB / FTP server). No hassle. You can even set it to forward fax-received documents directly to your networked PCs. Best of all, you can choose a number of file format such as TIFF, JPEG, PDF, Searchable PDF and PDF Compact, which allows file compression of up to $\frac{1}{10}$ of the regular file size. Just think of all the storage space you can save within your network environment!

Copier Specifications

Copy Type	Color Laser
Copy Speed	Black/Color : 21 / 21 cpm (A4), 22 / 22 cpm (LTR)
Copy Resolution	600 x 600 dpi
Half-tones	256 Levels
Warm up Time	Less than 60 sec
First Copy Time	Approx. 12.5sec/12.5sec (Black / Color)
Paper Source(s)	250-sheet cassette plus 100-sheet multipurpose tray
Optional Cassette	500-sheet cassette pedestal with wheels (AB-1)
Paper Weight	60 to 163g/m ² (cassette), 60 to 163g/m ² (multipurpose tray)
Paper Output	250 sheets (face down)
Duplex Copy / Bind Type	Yes, 1 to 2, 2 to 1, 2 to 2 / Book, Calendar
Zoom	50 - 200% in 1% increments
Document Feeder	50-Sheet DADF*1
Copy Size	Platen: Up to 8.5" x 14" / 215.9 x 355.6mm ADF: 5.5" x 5" to 8.5" x 14" / 139.7 x 128mm to 215.9 x 355.6mm
Copy Features	ACS (Auto Color Select), Frame Erase, Memory Sort, Toner Save, 2 on 1, 4 on 1, Favourite Mode
Copy Memory	768 MB (Shared)

Printer Specifications

Printer Type	Color Laser
Print Speed	Black/ Color: 21 / 21 cpm (A4), 22 / 22 cpm (LTR)
Print Language	PCL5c/6, UFR II LT™, PostScript
Print Resolution	600 x 600 dpi 9600 x 600dpi (Equivalent)
Duplex Print	Yes
Print Memory	768MB (Shared)
Direct Print	Memory cards, USB Flash Drive (JPEG, TIFF)

Scanner Specifications*2

Scan Type	Color CCD
Scan Resolution	600 x 600 dpi (optical)
Color Depth	24-bit
Document Size	Platen: Up to 8.5" x 14" / 215.9 x 355.6mm ADF: 5.5" x 5" to 8.5" x 14" / 139.7 x 128mm to 215.9 x 355.6mm
Duplex Scan	Yes
Compatibility	TWAIN, WIA
Output File Format	JPEG, TIFF

*1 Based on 20lb / 80g/m² paper.
*2 Scanning function is available via network or send features, but not available via the device's USB interface.
*3 Based on ITU-T #1 Chart (Standard mode)
*4 Mac OS X support printing and PC faxing only; drivers downloadable from www.canon-asia.com when available
*5 Linux support printing only; drivers downloadable from www.canon-asia.com when available
*6 Declared yield value in accordance to ISO/IEC 19752

SEND Specifications

Scan	Email, USB Flash drive shared folder
Other Protocol	SMB, FTP
File Format	Compact PDF, PDF, JPEG, TIFF

FAX/PC Specifications*3

Modem Speed	Up to 33.6 Kbps
Fax Resolution	Up to 406 x 391 dpi
Memory Capacity	Up to 1,000 pages*3
Speed Dial	200 locations
Duplex Fax	Yes (transmission / reception)
Receive Mode	FAX Only, Manual, Answering, Fax / Tel Auto SW
Fax Features	Remote RX, Delayed TX, Dual Access
Memory Backup	Yes, 1 hour
PC Fax	Yes (sending only)
Fax Forwarding	Email, other fax number

Interface/Softwares

Standard Interface(s)	USB 2.0 Hi-Speed 10 / 100 Base-T Ethernet (Network) USB Memory slot (x2), Memory card slot
Via USB Port	Print and PC Fax
Via Network	Print, PC Fax, Scan and Send to Email
Network Protocol	TCP/IP (IPv4, IPv6)
Operating System	Windows® 7, Windows Server® 2008 R2, Windows Server® 2008, Windows Vista®, Windows Server® 2003, Windows® XP/2000 Mac® OS X 10.4.9 & up*4, Linux*5

General Specifications

LCD Display	3.5 inch color TFT
Dimensions	546mm(W) x 527mm(D) x 632mm(H)
Weight (w/o CRG, w/CRG)	38.5 kg (w/o CRG) 43.3 kg (w/CRG)
Power Consumption	Max: 1210W Energy Saver Mode: 1.2W (Standby) 17W (Network connection)
TEC	2.3kWh
Cartridge Type	All-in-One Cartridge (CMYK)
Cartridge Model	Cartridge 317 (CYMK)
Cartridge Yield	6,000 pages (K)*6 4,000 pages (CMY)*6
Monthly Duty Cycle	100,000 pages

OS Supported Functions

Win	Print, Scan (network only), PC Fax
Mac	Print, Scan (network push only), PC Fax
Linux	Print, Scan (network push only)

imageCLASS MF9280Cdn – EXPERIENCE THE COLORS OF SUCCESS WITH THIS FULLY NETWORKABLE, AUTO DUPLEX PRINTER, COPIER, SCANNER & FAX MACHINE

Color gives documents and presentation materials a far more powerful impact, which makes the imageCLASS MF9280Cdn an indispensable business ally. Beyond color, you'll harness the power of **Auto Duplex printing and copying, fast CCD scanning and Super G3 faxing**. Yet this versatile machine is so energy efficient, it actually lowers operating costs. Success comes in many shades and colors – experience them all with the imageCLASS MF9280Cdn.
