LBP 7200Cdn

Canon Laser Shot LBP 7200C series

LOOKING GOOD IN COLOR HAS NEVER BEEN SO FAST AND EASY

Designed for the SOHO environment, the LBP 7200C series (LBP 7200Cd and LBP 7200Cdn) offer outstanding color laser printing capabilities. For standalone use, the LBP 7200Cd's fast print engine speeds of up to 20ppm in both color and black, zero warm-up time, and automatic duplex printing all make for a compelling color laser printing experience. Those looking to share their color laser printer investment will find the perfect partner in LBP 7200Cdn, thanks to its out-of-the-box networking capability. Just the perfect laser printing solution for small businesses that demand great color.

GET YOUR PRINTS QUICKLY WITH FAST PRINTING PERFORMANCE

Now you can enjoy a shorter wait for your printouts. Equipped with a highly efficient in-line print engine and an environmentally friendly all-in-one toner cartridge design, the LBP 7200C series sports the shortest paper path for its class. Rated at 20ppm for both color and black and white prints, it's a fast printer any small office can count on.

ZERO WARM-UP TIME!

The LBP 7200C series is always ready to print, with its unique On-Demand Fixing technology. With instant heat transfer to the heating element by the ceramic heater, the printer warms-up instantly when a print job is sent, giving you savings on time and energy costs.

FAST FIRST PAGE OUT – JUST 15 SECONDS

It takes 15 seconds to see the first page of your print job from the time the print command is sent from the PC. Just the time saver you need for crucial deadlines.

FAST PERFORMANCE WITHOUT MEMORY UPGRADE!

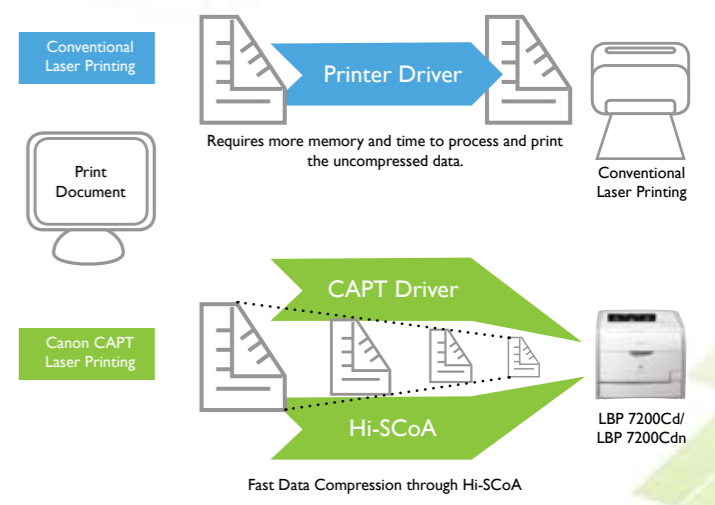

Canon Advanced Printing Technology (CAPT) increases the processing speed of every print job by leveraging on your computer's powerful processor. This frees the printer to concentrate on producing perfect printouts fast! New features include Easy Network setup with Auto IP configuration, wide platform support (Windows, Mac®, Linux®) and increased user control over remote driver setup and print status.

And with High Smart Compression Architecture (Hi-SCoA), the printing process is optimized by compressing the print job data into smaller packets, which allows a faster rate of transfer from computer to printer. Since compressed data requires less memory space, the LBP 7200C series printers deliver optimum performance without the need for costly RAM upgrades.

PRODUCTIVE DUPLEX CAPABILITY AND MEDIA HANDLING

Equipped with automatic duplex printing, the LBP 7200C series is designed to save you both time and money when you print double-sided documents. Produce up to 5 double-sided sheets a minute! It also comes with a standard 250-sheet universal cassette that holds various paper sizes and a 50-sheet capacity multi-purpose tray. Paper capacity can be increased to 550 sheets with an optional 250-sheet cassette tray.

The Power of CAPT 3.0 and Hi-SCoA

SPECIFICATIONS

MODEL		LBP 7200Cd	LBP 7200Cdn
Printing Speed	Color	20 pages per minute ^{1,2}	
	Mono		
Printing Method		Electrophoto method	
Fixing Method		On-Demand Fixing	
Printing Language		CAPT 3.0	
Maximum Resolution		600 x 600dpi (up to 9600x600dpi with Automatic Image Refinement)	
First Print	Color	Approx. 15 second or less ³	
	Mono		
Toner Cartridges		Black (3400 pages ⁴); CMY (2900 pages ⁴) Starter Black (1200 pages ⁴); CMY (1400 pages ⁴)	
Paper Input	Standard Cassette	250 sheets	
	Multi-Purpose Tray	50 sheets	
	Paper Feeder (optional)	250 sheets	
Paper Size		A4, B5, A5, Legal, Letter, Executive, Statement, Foolscap, 16K, Envelope (DL, COM10, C5 and B5) Custom Paper Sizes (Width 76.2 to 215.9 mm; Length 127.0 to 355.6 mm)	
Paper Output		Approx. 125 sheets	
Network Printing		N.A.	Yes
Operation Noise	Printing	56dB(A) or less	
	Standby	Background noise level	
Power Consumption (220 to 240W)	Printing	Approx. 385W	Approx. 395W
	Standby	Approx. 17.5W	Approx. 20.5W
	Sleeping	Approx. 5W	Approx. 7.5W
Dimension (W x D x H)		409 x 490 x 331mm	
Weight (Printer Unit)		Approx. 22.0kg	
RAM Memory		16MB	
Interface		USB 2.0 (Hi-Speed)	USB 2.0 (Hi-Speed), 10Base-T/100Base-TX
Support OS		Windows 2000 / XP / Server 2003 / Vista / Server 2008 Mac OS X v.10.3.9 or later ⁵	

¹ The print speed may drop depending on the settings for size, paper type, number of pages printed and fixing mode setting.
² If the printer is used continuously for an extended period of time, the internal temperature of the printer may increase, activating a safety mechanism and pausing printing temporarily.
³ May vary depending on the output environment.
⁴ The average yield of the toner cartridges is as follows.
 • Replacement toner cartridges
 – Average yield of K (Black) toner cartridges: 3400 Pages
 – Average yield of composite C (Cyan), M (Magenta), and Y (Yellow) toner cartridges: 2900 pages
 • Toner cartridges included with this printer
 – Average yield of K (Black) toner cartridges: 1200 pages
 – Average yield of composite C (Cyan), M (Magenta), and Y (Yellow) toner cartridges: 1400 pages
 The average yield is on the basis of "ISO/IEC 19798" when printing A4 size paper with the default print density setting.
⁵ Downloadable from www.canon-asia.com when available.

EXCELLENT ENERGY EFFICIENCY

The power the printer consumes while it's in Sleep mode affects its overall power usage and operation cost. The new LBP 7200C series draws minimal power, as low as 5 watts, in Sleep mode for excellent energy efficiency.

OFFICE FRIENDLY DESIGN

Common tasks such as paper feeding, paper output and the changing of consumables are easily performed from the front of the printer. And with intuitive PC-based printer control, there's no complicated operation panel to grapple with too.

NETWORK READY

The LBP 7200Cdn offers built-in networking as standard which allows easy remote printing via Ethernet network from any PC. A suite of Canon network software including NetSpot Device Installer (NSDI), NetSpot Console (NSC) and Remote UI ensure easy device installation and fuss-free printing over the network.

CONSUMABLES

- Genuine Canon Cartridge 318BK / C / M / Y

OPTIONAL ACCESSORIES

- Paper Feeder, PF-522 (for additional 250 sheets input)
