This temple made from white marble. It has got exquisite carvings all over it which adds to the look. The front of the temple has two minars, on the top of which is a platform where you can place small sculptures of god. One big sculpture of the gold you most believe in can be placed at the center of the temple. The **five** peaks of the temple are painted golden. This is undoubtedly an exclusive piece for your home.

White marble along with carvings on it are always elegant. This temple has a perfect size to keep indoors and is beautifully made. The top has the boundary of carved **paan**, which is considered sacred in Hindus. The carvings on the marble are precise and eye catching. The front has three sections, the middle portion is more enhanced and the rest two sections on each side are a little behind. The temple will not fail to spread good vibes all over the place.

This temple made with white marble and with delicate yet beautiful carvings all over it is probably the best you'll find. It maintains the authenticity of temples while keeping balance with the modern-day interior. The center of the top has 'OM' written gracefully on it. The front side of the temple is beautifully designed and carved while both the sides have meshes which are adding to the complete look.

This white marble temple is rectangular in shape and is flawless. It will fit in wherever you wish to keep it. It has got carvings on the top borders and has a splendid front with mesh design. All the designing has been done with utmost perfection and neatness. This temple will spread divinity and positivity all over the place.

This rectangular wall has got all that it takes to keep the eyes stuck on it. It is made of white marble. Every minute detail and every minute design is highlighted with utmost perfection in carving and precision. Being divided into parts, each part consists of a section which looks like a temple where sculpture can be placed. This is something different from the usual temples and is surely very exclusive.

Temples are a must at home and this one is certainly the best one. The reason being its size and shape which is perfect to keep it anywhere you want to. It is made from white marble and has carvings on the upper and lower boundary. The center of the temple has got a beautiful floral painting in concentric rhombus-like shape which is adding colors to the temple. It has a delicate gate like structure shaped with the mesh on the top. This undoubtedly is the most wonderful piece to place in your home or office.

This temple is simple yet angelic. It has how authentic Indian temples are. Made with white marble, this temple has 'OM' printed on the back with maroon color and has got 'Satiya' carved on the top center, both of which are considered sacred. It has a little design on the top with colors which are making the temple look bright. The size of it is very convenient to keep anywhere you want to and the temple will go with any sort of interiors too.
