

Feel Safe with

OSWIN[®]
SINCE 1974 SWITCHES & ACCESSORIES

AN ISO 9001:2015 CERTIFIED CO.

PRICE LIST W.E.F. APRIL 2018

From the Director's Desk -

We take pleasure in introducing ourselves as a manufacturer of all kinds of Wiring accessories and Energy Efficient LED Lighting products. Our well established and equipped manufacturing unit is located in Mumbai. Incorporated in 1974 with the name OSWIN Industries, today we are one of the top manufacturers of Wiring accessories and related products under brand name OSWIN in India.

For the excellence and Quality Production, we already have initiated to set an advanced test laboratory setup. We are willing to export also and for the purpose, started the process to acquire the national and international standards certifications.

Brand OSWIN is a clear evidence of our superior performance and commitment towards achieving excellence. Due to our thorough acumen and vast industry experience and innovative concepts, we are aggressively pursuing growth and aim to be one of the top **Electrical & Lighting manufacturer** in coming years.

Innovation and new product development have always been our focus areas. Our mission of statement to bring the innovative solution is to "**Conserve Nature through Eco & User friendly products**" and we are geared up to provide them to our customers. Considering the growing requirements of ecofriendly lighting solutions, we also have set up a manufacturing plant for LED Lighting located at Mumbai.

Our **Wiring Accessories Division** undertakes the product design and development from the conceptual stage to manufacturing and takes customers feedbacks to have comprehensive improvement actions. Our marketing department offer their best skills and value added services to all customers. To create a perfect atmosphere and energy for people at home, office, different workplaces and outdoors, we have wide range of products to suit all customer needs.

We are sure that the information provided will serve the purpose and meet your requirement. We request you to kindly patronize our mentioned range of products for use in your homes / offices / organization etc. In case you require further more information, please feel free to call us. We look forward for your all time valuable association with us and serving you with best of our products.

Thanking you and assuring you our best attention all time.

C. M. Jain

ADVANTAGES OF PORCELAIN

- Switch & socket are made up of high grade porcelain back body.
- On porcelain all components are mounted.
- In compliance of standard: IS: 3854 & IS: 1293.
- Specially designed for 16A to 32A. (High Current Rating) Applications.
- Suitable for Domestic & Industrial purpose.
- All products contains porcelain base for 100% safety.
- Switches are with bi-metal contact and heavy duty brass and copper parts, which are mounted on Porcelain for better product life.
- Front portion is made Of high grade **POLYCARBONATE** material, which makes product aesthetically appealing.
- All Poslino products are modular.

ALL ABOVE PRODUCTS
ARE SUITABLE FOR
RESPECTIVE SIZE METAL &
SURFACE MODULAR BOXES.
