

4LiFe

**LITHIUM ION SOLAR
BATTERY**

ABOUT US

4LiFe, created with an objective to achieve market leadership in clean energy solution and to contribute towards building a sustainable clean & green world.

VISION

4LiFe Vision to become "A Pioneer in the World's Smart Stored Energy Solutions", through Innovation.

4LiFe Mission's is to bridge the gap between Energy Generation, Storage and its utilisation, through extensive understanding of Technologies and its Application, Usage Pattern, Policies, Research under Leadership of its Founders.

MISSION

VALUES

4LiFe legacy lies in customer confidence and the excellency in delivering, with more than 2 decades of Expertise in understanding the Market Dynamics and Technologies.

WE PROVIDE

4LiFe produces and develops lithium batteries that help to build the energy grid of the future. The batteries provide clean, reliable and safe power for any solar application.

APPLICATION	VOLTAGE RANGE	CAPACITY RANGE
SOLAR HOME LIGHTING SYSTEM	12.8V	30Ah-102Ah
SOLAR STREET LIGHT & HIGH MAST	12.8V-25.6V	15Ah-200Ah
OFF GRID / HYBRID SERVICECS	25.6V-121.6V	150Ah-300Ah
MW Solar Plant
