Ultimate Capability, Ultimate Off-roader

In its third generation, the popular KnK Mudslinger, the SR-III is a new offering from KnK for the off-road buff. Manufactured by KnK Karts (P) Ltd., who have been in the kart building business for 24 years, the popular Mudslinger SR-III has a host of new features and upgrades like powerful LED headlights, a reverse light, parking brake and a reworked final drive ratio that all make the Mudslinger more fun to drive, easier to maneuver and handle.

If you don't know where you are going, the Mudslinger will help you decide..

A machine that is ready to hit off-road trails and explore the landscape around you. Whether you want something that's compact and inexpensive to tool around in, or you're in the market for a fun-focused offroad buggy, the Mudslinger is the only choice for you.
