### FOR EXTRA ENERGY / POWER

**HEMO PERFECTA** is a very good General Tonic which is a blood purifier and a good appetiser.

**HEMO PERFECTA** is specially formulated to act as blood purifier and helps as an appetizer.

**HEMO PERFECTA** helps in maintaining the body and increase the energetic power of young and old people.

**HEMO PERFECTA** is also effective against staphylococcus an infection where it helps in building up Resistance against the said bacteria.

**HEMO PERFECTA** is available in Tablet Form and specially **HEMO PERFECTA** Syrup is also introduced which helps as a General Tonic for the children.

It is a normal complaint of parents of loss of appetite in children which is responsible for the child not getting proper nutrition which also affects the health of the child.

Due to loss of appetite, Haemoglobin and other elements of body are decreased significantly. Also the Immunity and Resistance power of the child decreases. Hence particularly for children **HEMO PERFECTA** Syrup has been developed which helps in increasing Appetite, Building up Resistance against infection, Skin Diseases and Skin Eruptions & also acts as General Tonic.
