Organic Rejuvenating Face Gel

Organic Rejuvenating Face Gel helps to firm, tone and uplift the skin. It is rich in organic antioxidants derived from herbs, flowers and plants which rejuvenate the skin tissue. This product helps to slow down the ageing process whilst giving you a healthy, glowing, youthful look. Hydrates and nourishes, leaving the skin feeling cool and refreshed.

Helps to reduce fine lines & wrinkles, scars, burns, acne, eczema & psoriasis. Great for all skin types, including dry & sensitive skin.

This face moisturiser is a gel and is therefore, a cooler and lighter alternative to cream moisturisers. If you are living in warmer climates, the *Rejuvenating Face Gel* is the perfect moisturiser to refresh your senses. It can be used throughout the day by patting it over your make up for extra moisture.

The raw ingredients that make this formulation unique are the combination of roses, rosehip, aloe vera, grapefruit and vitamin E. Now that's skin food at its finest!

Directions: Apply a small amount twice daily to cleansed, moist skin. For maximum results, use 7 Precious Oils before applying the face gel.

Ingredients: Purified water; organic rosewater; organic rosehip oil; organic chamomile & marigold extracts; vegetable glycerine; organic castor oil; organic noni juice; xanthan gum; natural vitamin E; organic aloe vera; sandalwood; organic rose oil; organic grape seed extract.
