BENEFITS OF HYALURONIC ACID

As we age, skin moisture can drop significantly, which makes it lose elasticity and expose the signs of aging. Hyaluronic acid has a proven ability to retain moisture, a lot of moisture! One gram can hold up to six litres of water to plump up the skin and reduce the appearance of wrinkles.

Hyaluronic acid is known to instantly revitalise the skin's outer layers helping it look and feel softer, smoother and radiantly hydrated.

Our Unique Blend

Organic Rosehip Seed Oil

Organic Rose Oil

Organic Chamomile

Organic Aloe Vera

Organic Noni Fruit

Organic Carrot Seed Oil

Organic Hyaluronic Acid

BETTER THAN BOTOX

This unique formulation is rich in organic rosehip seed oil, essential fatty acids, antioxidants, vitamins A, B, C D and E, herbs enhanced with organic aloe vera pulp and hyaluronic acid. No synthetic preservatives or animal products.

Moisturises, hydrates and nourishes the skin to a youthful look. Helps to reduce wrinkles, crows feet, dark circles under the eyes, mouth and neck.
