Organic Rosehip Aromatherapy Facial Toner

Organic Aromatherapy Facial Toner is a unique blend of botanical flowers and essential oils which eliminate dirt and excess oil deposits on the face and neck. This refreshing toner helps to tone and balance whilst leaving the skin glowing and radiant. Uses aromatherapy to uplift your mood and confidence.

The Aromatherapy Facial Toner contains over 60 roses.

One of the main benefits of roses is that it acts as an anti-inflammatory and soothes irritated skin. Some people also use roses as a rich source of antioxidants, which can help strengthen skin cells and regenerate skin tissue. These properties are therefore, beneficial to people with sensitive skin.

Rose essential oil vibrates at a rate of 320MHz. The highest measured frequency of any essential oil. Rose Essential Oil has a beautiful, strong floral and sweet aroma.

What makes this facial toner so unique is its incorporated benefits of aromatherapy. It helps bring balance and harmony with stimulating and uplifting properties that create a sense of well-being and self-confidence.

Directions: Spray on cleansed skin, then apply 7 Precious Oils & Luxurious Cream.
