Organic Luxurious Cream

This rich nourishing cream is the ideal moisturiser for today's environment. It helps to slow down the ageing process of the skin, leaving you with radiant and youthful looking skin. The Luxurious Cream is rich in antioxidants which assist in rejuvenating the skin and may help to reduce wrinkles and fine lines.

It consists of only the purest organic ingredients such as;

Organic Rosehip Oil - It has a high content of Vitamin C in the form of Fatty Acids which contain 77% of Linoleic and Linolenic Acids. EFA's have very important functions in the regeneration of skin cells and the repair of damaged skin tissue. Organic Rosehip Oil provides excellent results in the treatment of skin that has been burnt and exposed to radiotherapy.

Organic Chamomile & Marigold - The gentle calming effect of Organic Chamomile & Marigold is perfect for sensitive skin types and is a highly germicidal antiseptic for cuts, abrasions, nappy rash and inflammations. Marigold keeps skin supple to prevent scarring and Chamomile brings relief to sunburns, rashes, broken capillaries, insect bites and stings. It can also help temporarily relieve symptoms such as eczema and dermatitis.

Natural Vitamin E - A nourishing oil which helps premature ageing, heals burns, prevents scarring and treats varicose veins by improving circulation. It can also help repair damaged tissue.

Organic Lavender - Soothes rashes and skin irritations, helps skin conditions such as acne. Gives temporary relief to eczema and psoriasis by soothing the inflammation, cleansing away bacteria to allow healthy tissue growth and scar prevention.

Rose Geranium - Balances the skin and is great for oily and dry skin. It tones, uplifts and revitalises the skin.

Organic Rose Oil - Helps to tone and moisturise the skin. It has a positive effect on broken capillaries, wrinkles, dry, chapped and sensitive skin, mature ageing skin and eczema. Excellent for facial care.

Organic Rose Water, Vegetable derived waxes and Sandalwood - These beauty herbs blend harmoniously with the non-greasy light Organic Base Cream, which together, help to tone and rejuvenate the skin.

Directions for use - Apply a small amount to cleansed moist skin. For maximum results apply twice daily.
