Benefits of Aloe Vera

- Aloe Vera contains 75 nutrients, 20 minerals, 12 vitamins, 18 amino acids and 200 active enzymes.
- Aloe Vera contains Vitamin A, B1, B2, B6 and B12, Vitamin C and E, folic acid and Niacin.
- Minerals found in Aloe Vera include copper, iron, sodium, calcium, zinc, potassium, chromium, magnesium and manganese. This exotic plant contains other beneficial compounds like polysaccharides, mannans, anthraquinones and lectins.
- The presence of these nutrients makes it possible to use Aloe Vera for a variety of transdermal purposes.

Benefits of 100% Pure Zeolite

- Zeolite works to absorb the toxins, free radicals, and ions from the skin while helping maintain correct pH levels. By removing these toxins, Zeolite claims to function as an immune system booster, improving the overall appearance and health of the body.
- Zeolites are effective in adsorbing heavy metals such as mercury, lead, aluminium, cadmium and arsenic.
- Zeolite is a negatively charged compound. The negative charge acts like a magnet to attract positively charged toxins and free radicals.
- Zeolite neutralises free radicals by trapping them in its complex structure which effectively inactivates and eliminates them.
- Zeolites has been shown to be 100% safe and non-toxic by the FDA

Benefits of Organic Noni Juice

- Organic Tahiti Queen Noni Juice is rich in vitamins C, E, B1, B2, B3, B6, B12, magnesium, calcium, zinc, iron, copper, protein, potassium and many other vitamins and minerals.
- Beneficial for Eczema, psoriasis, rashes, burns, scars, sensitive skin, dry, oily, itchy and blotchy skin. It also hydrates, tones, revitalises and softens the skin texture, leaving your skin young, supple and rejuvenated.
- The analgesic and sedative components in noni juice have been said to effectively relieve various types of pains in the body such as menstrual cramps, arthritis, joint pains and other inflammatory conditions such as eczema.
- Noni has been used medicinally for centuries. This miraculous fruit from the *Morinda Citrifolia* plant has helped thousands of people suffering various ailments from digestive problems to skin complaints.

Benefits of Organic Black Cumin Seed Oil

- Essential fatty acids, vitamins, amino acids and flavonoids. Black cumin seed oil has them all. Together, these components make for an effective skin treatment.
- Since 1959, black cumin has been examined in more than 200 different studies at universities and laboratories.
- Research conducted at the Cancer Research Laboratory of Hilton Head Island in South Carolina showed that oil of black cumin fought cancerous tumors without the negative side effects of chemotherapy.
- More specifically to eczema and allergy skin conditions, black cumin seed is known to have strong antibacterial and anti-inflammatory effects. This helps to cleanse the skin and assist in wound healing.

Benefits of Organic Carrot Seed Oil

- The health benefits of carrot seed essential oil can be attributed to its properties as an antiseptic, disinfectant, detoxifying, antioxidant and anti-carcinogenic substance.
- Rich in Antioxidants to rejuvenate the skin
- Antiseptic properties can effectively treat infections on the skin and open wounds.
- It is widely used in aromatherapy due to its mild and soothing earthy aroma which is very effective in relieving stress and anxiety and giving a refreshing feeling.

Benefits of Organic Rosewood Oil

- The properties in Rosewood consist of anti-viral, anti-bacterial along with anti-fungal and anti-infectious, making it effective for wound healing.
- But more than that, it can assist in cell regeneration and skin rejuvenation. Using Rosewood in skincare gives you a clean, soft, healthy glow, helping you to replenish moisture back into your skin.
- It has been used in many cosmetic products because of the woody, sweet spicy but floral scent that emanates from the tree and the oil.

Benefits of Organic Chamomile Extract

- Chamomile has been used for centuries in teas as a mild, relaxing sleep aid, treatment for fevers, colds and stomach ailments.
- Recent and on-going research has identified chamomile's to contain specific anti-inflammatory, anti-bacterial, muscle relaxant, antispasmodic, anti-allergenic and sedative properties.
- Chamomile helps to reduce inflammation topically and can be beneficial for skin conditions such as eczema, psoriasis, dermatitis and allergy skin.

Organic Rosehip Skincare Eczema Tips

TIP
1

Change your lifestyle through eating organic foods and avoid sugars and artificial colours. We recommend a daily intake of omega 3, 6, 7 & 9 which can be found in our Organic Sea Buckthorn Oil.

TIP
2

Avoid washing in chlorinated water, it can flare up and irritate people with sensitive skin. We recommend using a shower filter for the skin.

TIP
3

Using an organic soap for the skin is essential. Chemical soaps can dehydrate and flare up allergy skin. We recommend using our Organic Shampoo and Body Bar, which can be used as a cleansing bar, soap and shampoo.

TIP
4

Drawing out toxins from the skin is a great way to relieve inflammation and nurture the skin. This can be achieved with our Organic Rosehip Face & Body Peel.

TIP
5

Lymphatic drainage through massage provides detoxification of the entire body. Use our Organic Eczema Soothing Gel to relieve, soothe and hydrate the skin.
