Testimonial by Madonna Melrose, Beauty Editor, LivingNow

"After application my skin felt so soothed with a cooling sensation that was very therapeutic. Not only could I feel the benefits, but my skin was glowing and revitalised. As well as the visual beauty benefits of this cream, it is also perfect for skin irritations, eczema, scars, psoriasis and sensitive skins. The organic sandalwood mixed with the organic grapefruit leaves the most heavenly scent. A truly unique product that ticks all the boxes."
