

R.S. ELECTRONICS
(A Quality Product Manufacturer)

*** Deals in :All Types of S.M.P.S. Power Supplies,Adaptors & Chargers ***

Add. Office : WH 41, MAYAPURI INDUSTRIAL AREA, PHASE 1, NEW DELHI 110064.

Res : WZ 475, M S BLOCK, HARI NAGAR, NEW DELHI li0064

E-mail : rse475@yahoo.com **Web. :** www.rse475.com *** Rajesh :** 9312193122

Also available in :
6V.,12V.,18V.,24V.,36V.,48V..

S.M.P.S.
For RO Pump

BEST QUALITY
WORLD LATEST TECHNOLOGY
LOW PRICE

Product

Type

Specification

24V / 2Amp.

RCC Operation, Input under / over voltage,
Short Circuit - Latch (cv type),
Output over voltage, over load,
Fix Frequency (50KHz).
Thermal overload / Over temperature

24V/ 2Amp.
Hi Quality

Fix Frequency input under / over voltage
Output Overload Protections
Short Circuit Protections
Output over voltage (CV/cc type)
Thermal overload / Over temperature

24V / 2.5Amp.

Fix Frequency input under / over voltage
Output Overload Protections
Short Circuit Protections
Output over voltage (CV/cc type)
Thermal overload / Over temperature

| Product | Type | Specification |
|---------|---|---|
| | <p>24V / 2.5Amp. Hi Quality</p> | <p>Fix Frequency input under / over voltage Output Overload Protections Short Circuit Protections Output over voltage (CV/cc type) Thermal overload / Over temperature</p> |
| | <p>24V / 3Amp.</p> | <p>Fix Frequency input under / over voltage Output Overload Protections Short Circuit Protections Output over voltage (CV/cc type) Thermal overload / Over temperature</p> |
| | <p>36V / 2Amp.</p> | <p>RCC Operation, Input under / over voltage, Short Circuit - Latch (cv type), Output over voltage, over load, Fix Frequency (50KHz). Thermal overload / Over temperature</p> |
| | <p>36V / 2Amp. Hi Quality</p> | <p>RCC Operation, Input under / over voltage, Short Circuit - Latch (cv type), Output over voltage, over load, Fix Frequency (50KHz). Thermal overload / Over temperature</p> |
| | <p>36V / 24V 2Amp. Two In One</p> | <p>RCC Operation, Input under / over voltage, Short Circuit - Latch (cv type), Output over voltage, over load, Fix Frequency (50KHz). Thermal overload / Over temperature</p> |
| | <p>48V / 100 GPD Pump</p> | <p>Fix Frequency input under / over voltage Output Overload Protections Short Circuit Protections Output over voltage (CV/cc type) Thermal overload / Over temperature</p> |
| | <p>48V / 24V (2 In One) 100 GPD Pump</p> | <p>Fix Frequency input under / over voltage Output Overload Protections Short Circuit Protections Output over voltage (CV/cc type) Thermal overload / Over temperature</p> |
