Cambridge & Cambridge AR

ARCHITECTURAL SHINGLES

Combining an extraordinary shake-like design with superior protection makes it a time-tested favorite. Cambridge shingles are engineered to offer customers more protection and peace of mind with a larger, heavier and more durable shingle. Constructed with two layers of heavy-weight fiberglass mat, more asphalt and less fillers, these shingles set the standard by offering a Limited 30 Year Warranty, superior tear strength and resistance to high winds.

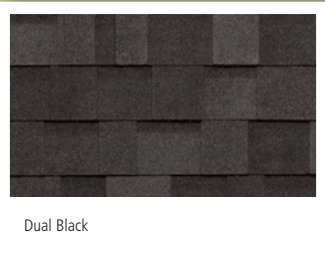

Cambridge shingles are selected by consumers who demand the best in terms of quality, durability and value.
